### **What Folks Are Saying**

"I wanted to tell you how much I have enjoyed Shag-A-Rama for more than a decade! First and foremost, this is one of my favorite venues, as the setting of the blue ocean and white sand, not to mention the weather at this time is just right...not too hot and humid. A great time during the day on the beach listening to our favorite DJs playing out favorite tunes and having cold adult beverages and lunch and being with so many of our friends from different states and always making new friends. And there are always new dance steps and line dances to learn. At night your choice of dancing under the stars or in the ballroom on a fantastic dance floor. Beach Shaggers of Birmingham always make this a special event all week long with the hospitality room with wonderful breakfasts and late night snacks. They really go all out to show us a good time. And to top it off on the last night

the ballroom is elegant with the Edgewater staff serving a delicious dinner and sometime special entertainment by the club members. Then to dance the night away! The dance floors are spacious and the resort is beautiful with so many amenities. I look forward to this event and have been attending for at least a decade always excited to see old friends and to make new ones! Thanks to all of the Shag-A-Rama workers because a good time is had by all!" Brenda from Charleston, SC
