Panama City Beach, Florida

Edgewater Beach & Golf Resort

September 26-October 1

The Beach Shaggers of Birmingham have been hard at work getting ready for this annual event. This will be the third year at Edgewater Beach & Golf Resort and we anticipate it to be bigger and better than ever. The property rests along the blue green waters of the Gulf of Mexico. The sugary white sand and Gulf breezes are the perfect backdrop for dancing and socializing with friends and fellow Shaggers.

The resort affords everything you need for your stay and entitles you to use of all its amenities. Food and beverage at **Ocean's Bar & Grille and Edgie's Market** are all available with a 10% discount (show your Shag-A-Rama wristband). At Ocean's, 3-2-1 Happy Hour: \$3 well drinks, \$2 house wine, \$1 domestic beer. Just off the resort property and within a short walk or drive is **Montego Bay** restaurant and there you will receive a 10% discount by showing your room key. (Discounts apply only to regularly priced menu items.)

Dancing will be under spacious tents located right on the pool deck and adjacent to the Gulf beach. There will also be dancing in the Flamingo Room (Grand Ballroom).

The accommodations at Edgewater are superior. You have a choice of Towers I, II or III which all overlook the Gulf. Tower I also has views of the pool and dance pavilion. If you prefer, there are Golf and Tennis Villas a short walk or shuttle ride away. All units have a living room (with TV), full kitchen, eating area and washer and dryer. Each bedroom has its own TV and private bath. The deluxe units are larger and some have wraparound balconies. (See the flyer and registration forms on our website www.beachshaggers.com or visit our Facebook page **BeachShaggers of Birmingham**.)

Don't delay in making your reservations to afford your best choice in accommodations. Cleaning fees have been added this year (see flyer) but damage deposits continue to be waived.
